

KEEWAYDIN IN THE COMMUNITY

Legal Aid Society

Keewaydin has worked with Legal Aid Society for over 10 years, originally relocating them from the Grain Exchange to the Kickernick Building where we represented them. Most recently, we assisted them in renewing their lease at the Kickernick Building. Keewaydin is currently assisting Legal Aid Society with expansion in the Kickernick Building and negotiating for them to vacate one of their facilities on the north side. We have worked with them on a no retainer basis and reduced fee.
